ACTIVATION DAY PROGRAM

FORT LEONARD WOOD, MISSOURI

WILLARD S. PAUL
Major General, Commanding

We of the 75th Infantry Division welcome you.

Composed of men representing all the States in the Union, the first Division to be activated in this State during the present war, this new organization will be one, I am sure, of which the people of Missouri may be proud.

We hope that you will visit our exhibits and buildings, and take away with you a true and satisfactory picture of American soldiers.
